Studio LG01, The Print Rooms, 164-180 Union Street, London SE1 0LH

T: 020 7902 1060

1. Enter the Print Rooms through the main reception on Union Street.

We're located on the basement floor.

Note: if you require an access ramp for stairs, please call us upon arrival at The Print Rooms.

2. To get to the basement, press '11', then 'enter' on the lift intercom.

This will call our offices. When we answer, we will unlock the door so you can come down in the lift. Select floor 'B' for basement.

3. Turn right out of the lift and go through the first set of double doors.

At the second set of doors you will see an intercom. Press 'LG01'. This will call our office, and we can unlock the door.

The Youth Music office can be found at the end of the corridor.
